## STADIUM INFORMATION

Welcome to Lewis Field Stadium, the 7,000 seat home of the Tigers. The Stadium was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and named in honor of William Alexander Lewis, president from 1913 to 1933.

The stadium turf is Bermuda grass, the same strong-rooted plant used on golf course greens.

Dressing rooms, concession areas, restrooms, athletic booster club facilities, athletic training facilities, and equipment storage rooms are located underneath the grandstands.

Fans are admitted through two main gates located on both the east and west sides, with four ticket windows in service for the game. Additional exits are opened just prior to the end of the contest.

Atop both the east and the west grand stands are press box facilities which provide seating for writers and statisticians, three radio stations, scouts, and three film crews.

An eight-lane, cinder track surrounds the playing field and adjacent to the stadium are regulation size practice facilities.

## FIRST AID

The Ellis County Ambulance Service is in attendance at all Fort Hays State University home football games. The ambulance is located at the north end of the stadium near the scoreboard.

## LOST & FOUND

A lost and found station will be set up in the main press box on the east side of the stadium. If the press box is closed, or on days following the game, please check with the University security office.

## Game Story...Fort Hays State

The hunger pains for the first victory in 1978 has caused growls and snarls to be heard in increasing intensity from the Tiger practice sessions as the week progressed. The Tigers would like to ease those pains with a victory tonight.

Fort Hays State hosts Southern Colorado for the 16th meeting of the two schools. The Indians have edged the Tigers, with the record standing, 8-7, in their favor. In 1974, the Tigers bested the Indians, 28-13, at Lewis Field.

With only 53 seconds remaining in last week's game with Northwestern Oklahoma, the Tigers saw a four point lead slip away as the Rangers' Russ Reagan found Brian Clothier for a 16 yd. touchdown pass. The 21-18 loss was their sixth in a row.

The Tigers completely dominated the play yielding only 38 rushing yards to the Rangers. However, pass plays of 27, 57, and 16 yards all resulted in second half touchdowns for Northwestern Oklahoma. Tiger defense aggressively controlled the line of scrimmage and mauled Ranger runners. Led by Bill Sand and Bill Turner, the defense dropped the Rangers for over 70 yards in losses. The ground game appeared to be developing for the Tigers as they marched 78 yards and 70 yards to the Ranger end zone. Louis Pfortmiller scored the game's initial tally, and Tom Doll culminated the second drive. Doll rushed for 118 yards against the Rangers and on his second carry of the game became the first Tiger ever to gain over 3,000 yards on the ground.

Somewhat of a surprise was the running of flanker back Pfortmiller. The swift senior, who is usually on the receiving end of passes, was used effectively on a flanker reverse play. Pfortmiller picked up 58 yards in eight carries. A Tiger passing attack was lacking as the Tigers only connected on two of ten passes. Holloway, however, did find Terry Georgeson in the end zone for a two point conversion following the second TD.

## Game Story...Southern Colorado

The Indians open their 1978 war path tonight and hope to duplicate their 1977 scalping of the Tigers. Southern Colorado defeated the Tigers, 42-14, last year. In 1977, the Indians had an overall record of 3-7 and were 2-7 in the RMAC. Coach Mike Friedman was elated to find his roster filled with returning veterans. The Indian roster boasts 26 returning lettermen and 13 starters from last season. Friedman said, "We'll have one of the most experienced teams in the Rocky Mountain Athletic Conference." He added, "We should be able to play with anybody." Fans should be on the lookout for return specialist-cornerback Dickie Johnson. Johnson led the NCAA Division II schools in kick-off returns in 1977. The speedster averaged 29.6 yards per return. Johnson also led the Indians in interceptions with four.

Quarterback Mick McCall is the number one signal caller for the Indians and holds the Southern Colorado career total offense record. McCall is closing in on the school passing and rushing all-time marks. Behind McCall are Bill Gower and Mike Watson. Watson is a speedster and will be used in return situations with Johnson. Gower, only a freshman, has impressed coaches and teammates in preseason drills. Rich Safonous, an honorable mention All-RMAC guard, leads the offensive line. Also up front are veterans Scott Gallas at center and Craig Barney at one of the tackles.

Captain Dave Evans heads a linebacking crew that will spur the Indian defense. Matt Ecklund and Wendell Burton will terrorize running backs and quarterbacks alike with their speed and strength. Veterans Dennis Neal and Lloyd Moore will anchor the defensive front four, backed up by transfers Mark Pollock and Mark Carter.
